See Decrease in Spring Wheat Acreage This Year

The weather has remained fine for the past week, allowing farmers to pretty well complete seeding operations.

A few boxcars were received at local elevators on Tuesday, making sufficient space for farmers to bring in the balance of their three-bushel quota. An additional one-bushel quota has been authorized, making the total quota for Vulcan elevators four bushels, but there is not sufficient space available to handle the increased quota.

Reports indicate that there has been a decided swing from spring wheat this year, with an estimated 30 per cent decrease in the acreage planted to this grain and a corresponding increase in the acreage planted to durum wheat, barley, oats and flax. The trend is due, of course, to the desire to plant crops that can be more easily converted into cash. Most farmers now have the equivalent of two years' average spring wheat crops in farm storage and the market for spring wheat has shown little if any improvement from the viewpoint of the primary producer.

Scout Rally This Weekend

The Foothills Boy Scout Association announce the following dates for their Camporee and Rally, June 1, 2, and 3. The site of Rally and Camporee will be 8 miles west of Turner Valley where we find the new Turner Valley Camp Site.

It is expected that almost three hundred Scouts will be under canvas on the night of June 1 and 2, from Vulcan, Brant-Ensign, Nanton, Blackie, High River, Okotoks, Longview, Black Diamond and Turner Valley, will also expect visiting troops from Red Deer, Calgary and Milo. There will be special Scout activities on Saturday. All who wish to see the Camporee in full swing should visit the Site about noon on Sunday as the Camp will be struck about 2:30 p.m. on Sunday.

During Sunday p.m. there will be special Wolf Cub events on a special site near the Camporee. There will be the Official Opening and Dedication on the Camp Site starting at 1:30 p.m. on Sunday. Of special interest to all who have been interested in Scouting through the years will be the turning of the first sod of a chapel on the camp-site by Mrs. W. W. Lowery of Turner Valley in memory of her husband, W. W. Lowery, who for so many years gave his very best to Scouting in Turner Valley, in the district and in the province. All parents are urged to turn out with their Cub and Scout. All friends of Scouting are invited, bring a picnic lunch and enjoy the day in a Cub-Scout way.

Bridal Shower For Shirley Connolly

A miscellaneous shower was held at the home of Mr. and Mrs. Harry Connolly on Saturday, May 26, when some 25 friends gathered to honor their daughter Shirley, whose marriage to Raymond Ziemmer will take place June 1.

Mrs. T. Marsh presented dainty corsages to the guest of honor and to Mrs. Connolly, Miss Edith Reath and Miss Betty Hamner.

A basket of beautifully wrapped gifts were brought in and Edith and Betty broke colorful balloons containing confetti above the bride-to-be. After opening the lovely and useful gifts Shirley graciously thanked her friends.

An amusing contest was held by Mrs. George Todd and a dainty lunch brought to a close a lovely evening.

Farewells Honor Mrs. D. McAfee

Mrs. Dave McAfee, who will leave on Friday morning for Jasper, to spend the summer before taking up residence in Edmonton, has been honored on a number of occasions during the past week.

The ladies of the Vulcan United Church Women's Association honored Mrs. D. McAfee at a lovely tea, in the basement of the church on Monday afternoon.

The lace-covered tea tables were centered with beautiful flower arrangements of apple blossoms, pink plum blossoms, violets and yellow and white candles. These flowers were donated by Mrs. K. Walker and Mrs. King.

Other floral arrangements of yellow poppies, tulips and lilacs from local gardens were placed about the room.

Mrs. Oldfield and Mrs. King presided at the tea tables.

Mrs. Burns sang two delightful solos accompanied on the piano by her daughter, Miss Marianne Burns. Mrs. Mensinger, on behalf of the W.A., presented Mrs. McAfee with a beautiful silver bracelet. Mrs. Volsey, on behalf of the W.M.S., presented her with earrings of Scotch thistles to match the brooch of the same design presented earlier by Group 1.

Each lady expressed regret that Mrs. McAfee was leaving Vulcan and thanked her for her devotion and untiring services in the organizations of the church.

Arrangements for the tea were made by the executive of W.A.—Mrs. Mensinger, Mrs. Jantzie, Mrs. Giles and Miss Lynette Parslow, and the success of the afternoon was due to the co-operation of all of the ladies of the organization.

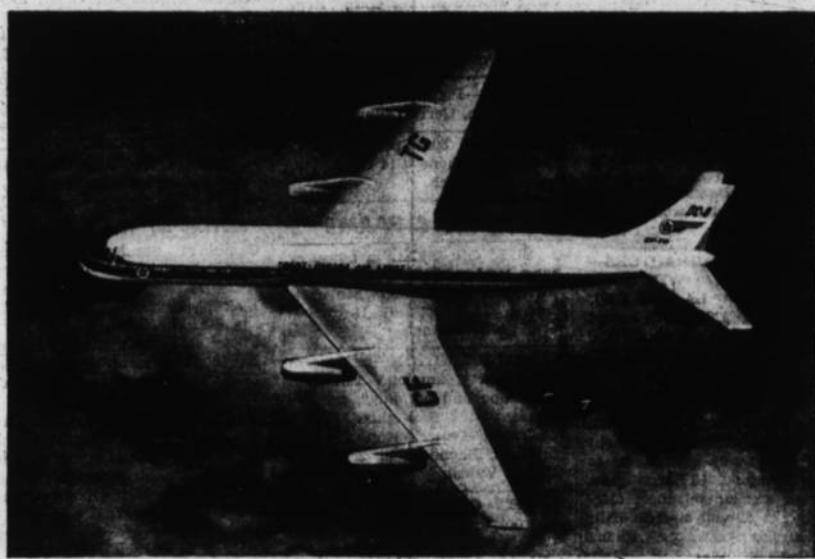

Mrs. Harry Stoddard entertained 12 friends and neighbors at her home Monday evening in honor of Mrs. McAfee. A most enjoyable social period was spent and Mrs. Sam McLeod presented the guest of honor with a token of good wishes of all present.

The U and I Sewing Club bid farewell to one of its original members at a turkey dinner at the home of Mrs. J. T. Willard on Tuesday.

Institute is made up of doctors and scientists. It supports worthwhile cancer research by giving grants in aid, fellowship and scholarships. About two thirds of its money comes from the Society.

Cottons from Lancashire and Scotland, and wool from Yorkshire will be used on board the new Canadian Pacific flag ship Empress of Britain.

TCA Orders Intercontinental Jet Airliners

A new era for Canadian air transportation is forecast by Trans-Canada Air Lines' planned purchase of swift jet airliners. Four Douglas DC-8's are on order and an option taken on two more. These airliners are capable of carrying 120 passengers and three tons of cargo at a cruising speed of approximately 550 miles an hour. The big planes will be powered by British Rolls-Royce Conway turbo-jet engines of the by-pass type and will be able to fly from Vancouver to Toronto in four hours and 10 minutes and from Montreal to London, Eng., in six hours and 10 minutes. The DC-8's will be delivered in early 1960 and will be used on trans-Atlantic and transcontinental routes later in the year.

Lomond Girls 4-H Club Holds Achievement Day

The Lomond 4-H Club, under the direction of its leaders, Mrs. Mary Lindsay and Mrs. Esther Koch, held their Achievement Day on Wednesday, May 16 in the Lomond Community hall. They were very pleased with the interest shown by the very large attendance.

There are 18 members in the Club and their work in first year sewing included making a sewing kit, hanger cover, dickey laundry bag, apron and a project and record book, all of which were very nicely displayed on tables on either side of the hall so that all present could see the work that had been done.

Mrs. Norma Jean Gray of Brooks and Miss Priscilla Mewha of Edmonton were the judges of the year's work. They each gave a very interesting talk on the 4-H Club work and explanations of how the prizes are awarded.

Mrs. Mary Lindsay welcomed the guests, then introduced the Club's president, Miss Margaret Thurber. A model meeting was conducted by the girls. A recitation "Homework" was given by Elsie Moncreiff. The girls then modelled their aprons. The treasurer's report for the year was given by Irene Kunkel. A demonstration on How to Wash a Woolen Sweater was given by Marlene Koch and Marjorie Stannard. A Fashion Show followed with the girls modelling pedal pushers, afternoon dresses and evening gowns, as well as an amusing example of what a well-dressed girl would not wear. Suitable music for the occasion was rendered by Alice Fraser. Miss Margaret Thurber played an accordion solo. A duet by Loretta Teasdale and Shirley Benson followed.

Prizes awarded are as follows: Laundry bag, 1st prize, Irene Kunkel, 2nd prize, Margaret Oakes; Dickey, 1st prize, Elsie Moncreiff; Sewing kit, 1st, Loretta Teasdale, 2nd, Marlene Koch; Shoulder cover, 1st, Sharon Skeith, 2nd, Norma Montgomery; Apron, 1st, Sharon Skeith, 2nd, Irene Kunkel; Project and Record Book, 1st, Irene Kunkel, 2nd, Elsie Moncreiff; Attendance, Irene Kunkel, Marlene Koch. The

evening, when Mrs. McAfee was once again honored. The ladies enjoyed a delicious dinner and social hour.

On Wednesday her sisters of the Ferradoia Chapter of the O.E.S. Lodge gathered at the home of Mrs. Charles Northcott to tender Mrs. McAfee a farewell tea. A most enjoyable afternoon of reminiscing and visiting was spent, after which Mrs. W. S. Hill, on behalf of the lodge members presented the departing member with a token of good wishes of everyone, and she expressed the regret of all in losing such a valued member.

Mrs. McAfee, on each occasion, very graciously thanked her friends for the honor bestowed on her and expressed the hope that she would have the pleasure of entertaining them at her new home.

efficiency winner is to be announced at a later date. The prize will be a week's course at the Old School of Agriculture.

A vote of thanks was given by Sharon Skeith to all who helped in any way to make the evening a success and for the help extended throughout the year.

A most enjoyable evening was brought to a close with a very delicious tea being served by the girls.

Showers Honor Darlene Hough

Miss Darlene Hough, whose marriage takes place this week, has been the guest of honor on two occasions recently.

On Monday evening Miss Shirley Northcott and Miss Patsy Robertson, assisted by a number of other girls, entertained some 20 young friends at a miscellaneous shower at the Northcott home. The young people enjoyed a most lively and amusing period of contests and games. Winners of some of the contests arranged by Shirley were Patsy Robertson and Betty Hollister, Glenna Joiner and Jean Roebuck, and the bride-elect.

A miniature telephone board, filled with many gaily wrapped gifts was brought and presented to Darlene by Shirley, who expressed the best wishes of her many friends. Assisting the guest of honor in opening her lovely and useful gifts were her mother and grandmother, Mrs. L. Granlin and Mrs. Hough of Regina. Darlene very suitably thanked everyone for the kindness and good wishes offered her.

A dainty lunch was served by the youthful hostesses.

Mrs. Jim Berg entertained recently at her home in honor of Miss Hough, when guests were the members of the local telephone staff. A most enjoyable evening of visiting and contests was enjoyed, with Miss Beth Lindsay making the presentation of a woolen blanket to the guest of honor. Darlene thanked her co-workers for the lovely blanket and their best wishes. The guests partook of a delicious buffet supper to conclude the evening's program.

Royal Purple Conference Held At Stavely

The annual meeting of Lodges in District No. 5, Order of the Purple (Auxiliary to the B.P.O. Elks), was held in Stavely on Friday, May 25, and was well attended by delegates from Vulcan, Brooks, Okotoks, Calgary and Stavely.

The Stavely Lodge welcomed the delegates and presented all the visiting officers with lovely corsages.

The meeting was then turned over to Supreme District Deputy H. R. Lady Olga Miller of Vulcan who was the presiding officer for the conference.

Interesting reports were given by the Honored Royal Lady of each of the lodges represented, and the floor work of the lodges was beautifully exemplified by the ladies of the different branches.

The election of officers resulted in H. R. Lady Christina Alford of Okotoks becoming the Supreme District Deputy for 1957 when the District No. 5 Conference will meet in Brooks.

This brought to a close one of the most successful conferences ever held in this district. Great praise was given to Supreme District Deputy H. R. Lady Olga Miller as well as to the members of the Stavely Lodge for their wonderful hospitality, and the visitors were loud in their praise of the delicious banquet that was served by the W.A. of the United Church.

Carmangay Heads Babe Ruthers

In the Babe Ruth League games played, Carmangay played three times, winning two against Milo and Vulcan and dropping one to Champion. In losing at Champion on May 21, Plourd and Smith shared the losing mound duties while Rhodes and Leisack split the pitching chore for the victors, giving out only six hits for an 11-3 win. Walks were the downfall of Carmangay pitchers as they issued fourteen.

Milo lost to Carmangay on May 24 by a score of 15-6. McLeod was the winning pitcher while K. Kishko took the loss. Errol Smith led the Carmangay hitters with two triples.

On Monday, May 28 at Vulcan, Carmangay romped to a 25-9 victory over the winless Vulcan nine. Flour on the mound for the winner pitched a masterful game striking out fourteen. Erickson went four innings and Hughes two for Vulcan, but spotty support gave them little chance for victory. Saxby and Schumacher were the pick of the losers. E. Smith and McLeod looked good for the winners.

W. A. Shields District Supervisor

Census Starts June 1, Enumerators Are Named

The first five-year census of Canada will be taken this June and W. A. Shields of Vulcan has been named census supervisor for District 3, which extends from Okotoks south to Barons, east to the Bow River, north to the Blackfoot Indian Reserve and west to the county boundary.

Under his supervision are 25 enumerators, who attended a census school held at the Vulcan Armouries last Friday in preparation for starting their jobs on June 1. Mr. Shields estimates that, roads permitting, the census in his district will be pretty well completed in about ten days.

The enumerators who have been appointed for District 3 are:

Okotoks: Mrs. Winnifred Carr and A. J. Hadden.
Blackie: Mrs. Ruby Paradee, Jack Thurber and Frank McNiven.
Mossleigh: Roy Stewart.
Arrowwood: Reg Campbell.
Shouldice: Mrs. Bernice Brown.
Queenstown: Stanley Brown.
Milo: Roy McIntyre.
Lomond: Mrs. Annie Craig and Hirst Goldthorpe.
Enchant: Clifford Olson.
Retlaw: Mrs. Catherine Stevenson.
Turin: Mrs. Irene Nordean and Mrs. Lillian Dunn.
Picture Butte: George Atkinson.
Barons: Mrs. Josephine McQuarrie.
Carmangay: Wallace Miller.
Champion: Bert Olier.
Vulcan: Earl Deal, Louis Shaw, Mrs. Rita Thomas, Mrs. Iris Shields and Mrs. Margaret Shaw.

Population Rising
During the last five years, Canada's population has risen by an estimated 2,000,000 to bring it to approximately 16,000,000 at the June 1 Census date. This increase, equal to a rate of 28% over a decade, has been exceeded only by the rate of 34% for the period 1901-1911 when the virgin lands of the prairies were being settled. Numerically, the increase compares with the record ten-year rise between 1941 and 1951 of 2,502,774, of which 361,000 was due to Newfoundland's entry into Confederation. In size, this five-year gain thus surpasses all previous increases by a substantial margin.

All provinces have shared in this remarkable growth. The annual estimate of the population of the provinces by the Dominion Bureau of Statistics for June 1 last year indicates that the first five-year Census of Canada, to be taken this June, will show population gains in all, but that the rates of gain will differ considerably from those that occurred between 1941 and 1951. Ontario, Quebec, British Columbia, and Alberta, in that order, will again lead in numerical increase, of course; but Alberta and Ontario will likely show a higher rate of gain than British Columbia, which was easily first in that respect in 1951. Saskatchewan, only province with a decrease in 1951, will likely be found to have recovered in the five years most of the previous ten year's loss.

Agricultural Census
About June 1 this year, when the census enumerators are starting their rounds, farmers will be receiving as usual through the mail the regular June survey questionnaire that is sent out by the Bureau for use in its semi-annual estimates of livestock and acreages sown to crops. The questions are similar to those of the census, and farmers may wonder why there is apparent duplication. The chief reason is that the information on crop acreages and livestock numbers is needed as early as possible, long before the data from the census schedules can be compiled. When the census figures become available—which will not be before early in 1957—they will be accepted for the census year and become the base for subsequent estimates. The coincidence of the survey questionnaire with the census enumeration also enables direct comparison to be made of results by both methods and thus facilitates improvements in the annual estimates.

Champion On Top In Little League

In Little League action last week Champion defeated Brant 18-6 to stay on top of the standing. G. Snider and A. Green led the winning attack with home runs, while Randy Malmberg set the pace for the losers with three safe hits. Bases on balls played a big part in the scoring with two free passes being issued by the two hurlers.

Champion won their second game of the week when they defeated Vulcan by the close score of 14-12. Darrel Vaage was the winning pitcher and also hit a home run to help his cause. Other home runs were hit by Gary Schneider and Earl Greene for Champion and by Don Houlton for Vulcan.

Vulcan won their game on May 25 against Carmangay by a score of 8-4 to stay in a tie for second place in league standing. The winners scored five runs in the fifth to break up a tight low scoring game. Leading the Vulcan attack were Don Houlton and Barry Roebuck who each collected three hits including a home run. Top hitters for the Carmangay squad were Dickey Minty and Leslie Row with two hits apiece.

Thirteen sick calls were made and four cards sent during the month.

Mrs. Budd presented Mrs. A. Schierman with a baby gift for the new baby. The next meeting will be held at the end of June at Little Bow Park, and will take the form of a picnic, at which time the ladies will entertain their husbands. A delicious lunch was served by the hostesses.

CGIT Mother & Daughter Banquet

The Carmangay CGIT Mother and Daughter Banquet at the United Church on May 25. Tables were set for over 30, with every member and her mother present as well as several guests, including Mrs. Powell and Mrs. Brown of Vulcan.

The girls had spent much time in tastefully decorating the basement in the Indian theme, with wall freezes, totem poles, blankets, etc. The tables carried out the theme with relics, and teepee place cards, while each girl wore an Indian head dress. The delicious meal prepared and served by the group and its leaders, consisted of items of food similar to those enjoyed by Canadian Indians and featured "roast buffalo."

A toast to the Mothers was proposed by Eva Mae Burwash and responded to by Mrs. Gordon Burns. Greetings from the church were brought by Rev. Peter Dawson and Mrs. Brown spoke for the WMS. Representatives of the afternoon and evening W.A. Groups also brought greetings and best wishes.

A short program followed and consisted of an Indian pow-wow, a sing-song, a visit from the "Six Nations Reserve," and a reading by Carol Shearer. The affiliation service with the WMS was very impressive, after which slides were shown of various CGIT groups in Alberta.

Power Supports Alberta's Progress

Throughout its entire history Calgary Power Ltd. has consistently planned—and built for the future. As a result, the Company's capacity to produce electric energy has always kept abreast of the power needs of the cities, towns and communities served.

Today, Calgary Power Ltd. continues to plan—and build for the future on an even greater scale.

Two new plants were completed in 1955. These brought the Company's overall generating cap-

ability to 331,000 h.p. Another 88,000 h.p. will be added this year with the completion of the Steam plant at Wabamun.

Already in the planning stage is even further expansion—New Lines, New Plants, New Hydro and Steam Generating Capacity—to keep the Company's production of Electric Energy well ahead of the power needs of its customers in Alberta for years to come.

ARCHIE FERGUSON

FEW BOY SCOUT GUESTS OF CANADA

at the 1955 Jamboree had a chance to see the great dams and smelters that make Canada a world supplier of aluminum.

But some did see a Canadian use of the light metal: outdoor cooking with aluminum foil. One Canadian troop showed how they used this handy material for doing potatoes, steaks and other foods over the campfire; how they kept food fresh in summer heat by protecting it with aluminum. If this missionary work carries the idea back to distant lands, Canada may have to turn out still more aluminum foil—even though last year her output, if laid in a 12-inch strip, would reach 382,000 miles.
